

Set 1 vs Set 2 Comparison — Sample

Song set to “Sugar Magnolia” — from *The Ultimate Grateful Dead Set List and Listening Guide* (September 2026 Edition)

About this sample: This shows the exact live output of the interactive Song & Set List Statistics section in the September 2026 edition of the e-book, with the filters set as noted above. In the real e-book, every table is fully interactive — you can pick any song, year, or filter combination yourself, sort columns, and click any date to jump straight to that show’s full entry. In this static PDF sample, the date links and pagination buttons are for illustration only and are not clickable.

1 song — only counts shows with a full first-and-second-set (E1/E2) electric format, and only songs played in both sets. Grouped by song name, sorted by song name. Counts for some songs include performances with a certainty level of "memory" or "uncertain", and the exact date is not known for certain for some performances.
